

Curve Bender

0324

This awesome Pacesetter sire is a true curve-bender. L Bar 0324 ranks in the top 5% for Weaning EPD, as well as the top 5% for both Birthweight and Yearling EPDs. This combination of low-birthweight and high-growth is very exceptional. He is also a trait leader for Scrotal Circumference, coming in at fifth in the entire breed. L Bar 0324 is exceptionally long, straight-topped and perfectly muscled. He has 62 daughters in production, so you know he's got the maternal power you need built into a performance package.
