Owned in partnership with HH Holmes Ranch

Blending the great L Bar 5502 line with Lasater and Rancho Tres Hijos genetics, **L Bar Momentum** provides the perfect complementary cross for En Fuego genetics. He really rang the bell in our 2019 Performance Test and Sale: He was the second highest-selling bull overall, gained an amazing five pounds per day on the feed test and had one of the highest carcass scans in the offering. Momentum's EPDs are incredibly balanced—he's in the top 20% of the breed in 10 of 17 categories.
